

### In remembrance of Mam Jalal Talabani

We in the Representation Office of Rojava-North Syria in Benelux, would like to extend our sincere condolences for the loss of Mam Jalal Talabani who struggled all his life in the service of the Kurdish people.

The loss of Mam Jalal is painful for the entire Kurdish nation. South Kurdistan has been through many difficult times and in those times Mam Jalal always had a leading role.

Our thoughts are with his family and with the YNK. He is gone now but he will always be remembered. His determined and indomitable spirit lives on in our hearts.

With Kind Regards,
